HOW TO WORK ON INSTAGRAM AND TIKTOK

First of all create your account on instagram and tiktok using your email or phone number.

Create posts, reels and upload on your account .

MARKETING

Make sure real content and engage customers through comments and react on their posts and stories . No copy paste on instagram , follow 10-20 accounts daily leave your comments and when they follow back then send him dm with their names eg Hello Elizabeth ,Hi Elizabeth ,How are you , Hey there . When they respond you in inbox then ask him to join your ambassador family by purchasing . Let him know that we are offering free items you need to cover the shipping fee. Our shipping is worldwide and we are targeting audience of USA and its States, EUROPE and Australia . Shipping fee depends on products eg jewelry has less shipping as compare to clothes and cosmetics.
